SELECTED PROJECTS

Natural Resources and Land-Use Planning and Management

International Joint Commission (IJC) Stakeholder Engagement Meetings, 2022. Conducted interviews with stakeholders in US and Canadian towns impacted by flooding in Lake Ontario and Lake St. Lawrence water systems. Planned and facilitated meetings for IJC officials and local shoreline business owners, landowners, environmentalists, elected officials, and other concerned citizens to inform stakeholders of IJC plans for managing water levels, mitigating flooding, and continued community engagement.

Mid-Atlantic Fishery Management: Ilex Stock Assessment, 2022. Conducted interviews with Working Group members of Ilex Stock Research Assessment to assess the process and identify obstacles and future improvements. Wrote assessment report for management.

Groundwater Sustainability Plan Collaboration in the Vina and Wyandotte Subbasins, Butte and Tehama Counties, California, 2021-2022. Supported facilitation of dialogues to reach consensus on how multiple GSAs will coordinate on the development and implementation of one Groundwater Sustainability Plan (GSP) per subbasin.

Sonoma Developmental Center (SDC), Conceptual Master Plan- Study Phase, Sonoma Valley, Ca, 2020-2021. Supported collaboration with WRT and DGS to plan and facilitate an interactive, public workshop on the plan for developing SDC. Facilitated workshop.

Team Coaching and Organizational Support

The Grand World, Aug 2021 – Present. Facilitates bi-weekly virtual coaching sessions for senior leadership teams. Provide leaders with tools to better manage direct reports, strengthen communication norms, improve techniques for offering feedback, and more. Provide support to leadership team navigating challenges at work and tools for handling interpersonal differences with other team members productively and non-avoidantly.

Marine Mammal Health and Stranding Response Program (MMHSRP), NOAA Fisheries, January 2022. Helped design a teambuilding workshop for the MMHSRP team. Assisted team members in gaining greater clarity about their roles. Support dialogue across some challenging interpersonal dynamics. Produced agreements that offered a roadmap for moving forward and preventing past obstacles.

Avodah Israel Policy Task Force, Sept 2021 – May 2022. Conducted extensive interviews with staff, membership, and board of national nonprofit organization. Designed and conducted process for Task Force assembly. Designed and facilitated monthly Task force meetings for board members, staff, and organizational stakeholders to reach consensus on new organizational policies. Presented results to board and designed external communications plan.

Resetting the Table: Speaking Across Conflict, August 2014 – Present. Coaches teams and individuals on how to speak across their differences, even in charged and polarizing contexts. Provides tools for communicating directly and non-avoidantly and encourages cohort members to practice new skills in low stakes environment. Result is participants emerge from sessions equipped to navigate difficult conversations with greater ease.

Abrahamic House, September 2021- December 2021. Dorit conducted interviews with CEO and team members. Provided assessment to CEO on how to shift challenging dynamics. Facilitated full team conversation about organizational and interpersonal challenges. Coached group in communication skills. Provided series of recommendations that were implemented in organizational policy handbook.
